Fall Issue

October 2016

MYHEC Results

First, we would like to thank you all for showing up for MYHEC! It was a great success and everyone ended up having a wonderful time. We hope and would love all of you to be back for future competition and endeavors. Our own club participants did quite well this year and we think it would be best to show them off a little in this month's newsletter! The results are as follows.

Archery-
Nick Reed- 1st place JR division with a score of 245.
Rifle-
Robert Kelley-3rd place JR division with a score of 165.
Muzzleloader-
Aidan Saltman-2nd place SR division with a score of 275.
Shell Shock-2nd place SR team.

Safety Trail-
Aidan Saltman-1st place SR division with a score of 283.
Shell Shock-3rd place SR team.
Shotgun-
Nick Reed-3rd place JR division with a score of 140.
Shell Shock-2nd place SR team.
Orienteering-
Aidan Saltman-2nd place SR division with a score of 245.
Shell Shock-3rd place SR team.
Responsibility Exam-
Owen Hilbrecht-3rd place SR division with a score of 234.
Aidan Saltman-1st place SR division with a score of 258.
Shell Shock- 1st place SR team.
Overall-
Nick Reed-2nd place JR division.
Aidan Saltman-3rd place SR division.

Our own participants with their medals.

The Glassens

The Glassen Grant has helped us out in ways we could not have imagined thus far. We would just like to thank the Hal and Jean Glassen Memorial Foundation for the generous grant. We would not have been able to purchase our new card reader system without it. It has been in place since September 28, 2016. It is

being used in sporting clays and is to be thought of as a debit card. Members will purchase card for \$15 and pre load it before shooting. We are selling birds at \$20 per 100 birds with a \$100 minimum or 500 birds. There is no expiration date on the card. Sporting clays can't be shot without a card.

These cards will be available during normal operating hours.

Special points of interest:

- Don't forget to stop by and get your card!
- Sporting clays are not available without one.
- Skeet, Trap and Five Stand will remain the same.
- Membership renewals are around the corner.

Indoor Archery

Indoor Archery leagues will be starting up anytime now. Beginning in January three leagues will be put into place for people to participate in. The first week in January will be held for practicing and the second week is when the leagues will start. All three leagues will have started by January 12th but the Target Bullseye league will be hosted on Tuesdays and Thursdays starting that second week. The Target

Animal league will start the same time but will be held on Mondays. All three of these leagues will have different durations. The Tuesday league will be 12 weeks long while the Thursday and Monday leagues will only be 10.

League dues are different based on your membership, if you are a key member than your fee will be \$45. If you are a standard member your

fee will be \$55 and if you are not a member at all then your league fee is \$65.

Mike Lifford the indoor archery director plans on changing keys beginning February 1st, 2017. So members make sure you renew those memberships, as you must have an active membership in order to purchase a new key. It will be 65 dollars for a new key. The key is of course for using the archery facilities.

Rifle Leagues and Repairs

Indoor Rifle leagues are coming up as well folks! Lots is going to be happening with the upcoming year not more than 3 months away. The first match for the indoor rifle league will take place in December. The first practice will be November 22nd, 2016 which is not far away at all. One thing that will remain constant is practices will land on Tuesday evenings while matches will land on Friday

evenings.

Leagues are not the only thing going on right now. More repairs have taken place recently. New Stringers and backing boards have been placed in the Pistol 25 yard range along with the 50 yard range. The roof on the 25 yard range is currently off for repair but we are working hard to get that back on for the coming winter. Although it may take

longer by ourselves. As always volunteers are more than welcome to make it out to the club and help out with anything we have going on.

Just one last reminder, as members of this great club let's be sure to follow range rules at all times. Specifically we would ask of you to not drive on the ranges unless you already have a permitted reason too. Thank you!

Outdoor Archery

The outdoor archery typically does some very cool 3-D shoots, unfortunately that has been closed up for the coming winter. There are other things to look forward to though, as Jim Powell the outdoor archery director plans on holding 1 indoor 3-

D shoot on February 11th and 12th. Both days will have start times of 9 a.m. and 1 p.m. Per the usual there will be a shotgun start. There is definitely more to come on that front as well. Members will be delighted to know that there may be a second 3-

D shoot later in the year of 2017. While the date has not been found out yet you should be quite excited.

Scissor Lift recently Purchased

Some new additions are going to be made to the Sporting Clays here shortly as the club has kindly been able to purchase a Scissor Lift. The Lift has been something on the clubs mind for awhile now and we are very happy to be able to say we have recently acquired one.

If you are interested in seeing it then please stop by the club when you have time. I am sure you guys will be just as excited as we are to be able to bring that to the table.

This hopefully will serve as a reminder that here at Capital Area Sportmen's League we are always looking to improve our club and

organization not only for the benefit of the club but mainly for our members. As our members are the driving force behind what we do and keeping them happy is priority number one.

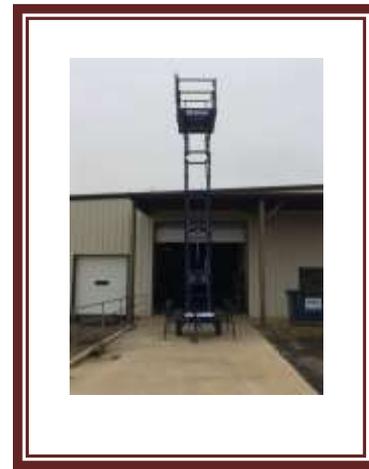

Membership Renewal Reminder

We realize a reminder was sent out in the last newsletter as well, but we figured with Banquet coming up that renewals are not that far off either. Shortly after our Banquet in February it will be very close to having to renew memberships once again. The absolute last day to renew will be March 31st.

Most of you know the prices and other things of that sort but for anyone new joining a quick summary is needed.

An initial fee of \$50 is owed, and an annual due of \$125 will also be out there. As you well know working a certain amount of hours around the club will most certainly only be in your best interest as it does lower the price of your membership dues.

Working 5 hours a year will reduce fees to \$90. While working an additional 5 hours will lower your annual dues to \$55. So please we encourage you to renew any annual membership you may have.

Painting and Banquet Reminder

More renovations have begun around the club recently. We plan on having these particular renovations done by the end of October or early November. Currently we are working on getting the walls at the Skeet Trap and 5 stand painted. As

stated before it has been a project for some time now and will definitely be finished within a few weeks if not a little longer.

Also we just thought you all would like a reminder that the Banquet is coming up. We know it seems like it is

still quite a ways away but February is not that far off now. It is crazy to think the year is already almost over but just be prepared because the Banquet is closer than you may realize.

Questions, Thoughts, Concerns

Hello to all of you, My name is Mclain Moberg. I will be your new writer for your newsletter. I have not yet had the pleasure of introducing myself to all of you, as i have not found the time to make it over to the club yet. So i figured what better place to try and reach all of you than right here in the newsletter itself. I just want to say my goal is to bring you up to date and relevant information every time a newsletter comes out. If at all you are ever reading and wish something else could have gotten in there do not hesitate to try and contact me with ideas or any

thoughts and concerns you have. I am going to try and have a section like this in the newsletter more often than not. It will give you guys, our members a way of contacting me and asking me any questions or even giving your input on what you think may be of relevance that did not receive a place in the newsletter.

So please do not hesitate to email me at mobergmclain@gmail.com with any Questions, Thoughts, or Concerns. I more than welcome it! Once again thanks for reading!
